## 18 LEGAL STANDARDS

19 California Insurance Code section 1861.10 states in relevant part:

20 (a) Any person may initiate or intervene in any proceeding permitted or  
21 established pursuant to this chapter, challenge any action of the  
22 commissioner under this article and enforce any provision of the article.

23 (b) The commissioner or a court shall award reasonable advocacy and  
24 witness fees and expenses to any person who demonstrates that (1) the  
25 person represents the interests of consumers, and (2) that he or she has  
26 made a substantial contribution to the adoption of an order, regulation or  
27 decision by the Commissioner or a court.

28 CCR §2662.2 sets out the procedure by which intervenors are deemed eligible to seek  
compensation:

(a) A person or group representing the interests of consumers may provide to  
the Public Advisor a request for finding of eligibility to seek compensation.  
The request shall be verified and may be verified by the intervenor's or  
participant's attorney and shall be submitted, at any time, in conjunction with  
an ongoing proceeding in which the individual or organization seeks to  
intervene. The request shall comply with sections 2652.1-2652.4 of this  
subchapter and shall include:

1 (1) a showing by the intervenor or participant that it represents the interests  
2 of consumers, including a description of the previous work of the  
3 intervenor or participant; and,

4 (2) in the case of groups representing the interests of consumers, the  
5 request shall include the following as exhibits:

6 (A) a copy of the group's articles of incorporation, by-laws,  
7 or (for groups not organized as corporations) other  
8 organizational documents,

9 (B) if the group has members, the approximate number of  
10 current members,

11 (C) composition of the group's current Board of Directors –  
12 including the name and business address of each director  
13 and/or the name and business address of the principals of  
14 the group if it is not a corporation,

15 (D) newsletter circulation, if any, along with a  
16 representative sample of newsletters and/or any other  
17 publication issued by the intervenor in California during the  
18 previous twelve (12) months,

19 (E) any annual or year-end report for the prior year,

20 (F) a statement as to whether or not the group has been  
21 granted non-profit status under Internal Revenue Code  
22 Section 501(c), and

23 (G) in order to allow a determination whether the group  
24 actually does represent the interests of consumers, a listing,  
25 by general category, of the group's funding sources for the  
26 prior twenty-four (24) months and the approximate total  
27 percentage of the group's annual budget from each funding  
28 category. Each foundation, corporate, business, or  
government grant shall be separately listed by name of  
foundation, corporation, business, or government agency  
and amount of grant. For each individual who contributed  
at least five percent of the group's annual budget, the name  
of the individual and the total amount of the annual  
contribution shall be separately listed.

The Public Advisor may require additional information regarding the  
request at any time, but not more than twice during any one calendar year  
from a given Intervenor or participant.

CCR §2661.1 (j) defines representing the interests of consumers as follows:

Represents the Interests of Consumers” means that the intervenor  
represents the interests of individual insurance consumer[s], or the  
intervenor is a group organized for the purpose of consumer protection as  
demonstrated by, but is not limited to, a history of representing consumers  
in administrative, legislative or judicial proceedings.

1 A party which represents, in whole or in part, any entity regulated by the  
2 Commissioner shall not be eligible for compensation. However, nothing in  
3 this subsection shall be construed to prohibit any person from intervening  
or participating if that person is not seeking compensation.

4 CCR §2662.2(b) and (c) set deadlines for CDI's review of requests for finding  
5 of eligibility.

6 (b) Within 10 days of receipt of a request for finding of eligibility to  
7 seek compensation, the Public Advisor shall review the request for  
8 completeness. If the request includes all of the information required by  
9 subdivision (a) above, it is complete. If the Public Advisor determines that  
the request is not complete because it does not include all of the  
information required by subdivision (a), notice stating the grounds for  
incompleteness will be given to the person or group who submitted the  
request within the 10 day period and the request will be rejected.

10 (c) The Commissioner shall rule on the request for a finding of  
11 eligibility to seek compensation in writing not later than 15 days from the  
12 receipt of a complete request.

### 13 DETERMINATIONS

14 UP has complied with the requirements of CCR § 2662.2.

15 UP represents the interests of consumers, and on these grounds, the  
16 Commissioner hereby finds UP eligible to seek compensation in CDI proceedings  
17 pursuant to CIC §1861.10.

18 This Finding of Eligibility is effective May 1, 2014.

### 19 ORDER

20 UP is hereby deemed eligible to seek compensation from the CDI for its representation of  
21 consumers' interests and for its participation in CDI proceedings pursuant to CIC §1861.10 for a  
22 period not to exceed two years from March 11, 2015.

23 A finding of eligibility to seek compensation does not ensure compensation. UP must  
24 comply with all relevant provisions of the California Insurance Code and the California Code of  
25 Regulations in order to participate and to submit requests and/or to receive compensation in  
26 specific hearings or proceedings.
